Author's Warranties

The Author(s) warrant(s) that:

- ✓ The Contribution is original and has not been published elsewhere, except for any excerpts from other works, which have been properly credited and for which the necessary permissions have been obtained.
- ✓ The Contribution does not infringe on any existing copyright or other intellectual property rights.
- ✓ Any Third Party Material included in the Contribution is either in the public domain, used with permission from the rights holder, or used in compliance with applicable law. Upon the Publisher's request, the Author will provide written details of the precise sources of these excerpts and their location in the manuscript. The Author will also retain the written permissions and make them available to the Publisher if requested.

Corresponding Author signs for and accepts responsibility for submitting the above mentioned paper on behalf of any and all Co-Authors.
